Investment Policy Statement

Client mandate and portfolio governance limits

DOCUMENT VERSION	**IPS v1**
EFFECTIVE DATE	**14 July 2026**
CLIENT	**Aurora Family Office**
STATUS	**Approved for demonstration**

Mandate summary

This statement defines the approved investment constraints used by Aurora Family Office. Compliance monitoring must compare current holdings with each binding limit and preserve cited source evidence.

4.2 Cryptocurrency exposure

Binding client mandate - reviewed quarterly and on every source revision

MANDATE RULE

Direct cryptocurrency exposure may not exceed 10% of portfolio market value.

MAXIMUM	**10.0%**
MEASUREMENT SCOPE	**Direct cryptocurrency holdings only**
REVIEW TRIGGER	Any measured exposure above the maximum requires compliance review.

Interpretation

Direct exposure includes cryptocurrency tokens and directly held digital assets. Exposure held through pooled funds, ETFs, or derivatives is outside the measurement scope for this version.

Monitoring appendix

Synthetic portfolio evidence snapshot - 18 July 2026

Measure	Observed	Mandate reference	State
Direct cryptocurrency exposure	2.0%	See section 4.2	Observed
Indirect / look-through crypto	6.2%	See section 4.2	Observed
Total cryptocurrency exposure	8.2%	See section 4.2	Calculated
Largest issuer exposure	18.7%	Maximum 20.0%	Near limit
Liquid allocation	6.4%	Minimum 5.0%	Pass

Evidence note

These values are synthetic and are included to provide stable, reviewable evidence for the NodeWitness demonstration. They are not client records and must not be used for investment decisions.
